

# MARQUETTE SPECIAL RESERVE

## WINEMAKER'S TASTING NOTES

We believe this exceptional wine to be the finest example of Marquette in the world to date. Made with the finest Northern Climate grapes selected from our family vineyard in Northern New York. Each cluster was handpicked, sorted and fermented in open bins. The grapes were punched down several times daily by hand. The free-run juice was then separated from the pre-pressed grapes and aged over 20 months in 100% French and Hungarian oak barrels. Uncork the legacy within.

## CHEF'S PAIRING SUGGESTIONS

Full-bodied, flavors of rich black cherries, decadent raspberries, and pomegranate finish with ripples of caramel, chocolate, and spice. Pairs with wild game, hardy meats, root vegetables, and dark fruits.

## UNVEILING A NEW STYLE OF LUXURY

Luxury has a new name. Your expectations will be exceeded and your wanting fulfilled. Indulge in lavish complexity, mystery, and grace perfectly balanced in your glass. At first introduction rich black cherries and decadent raspberries caress your palate as the subtle fruit forwardness of this wine greets you. Then as you allow it to breathe, because it loves to swirl and dance, it shows its true complexity through silken ripples of caramel, chocolate and spice. Aged to excellence in French and Hungarian oak barrels and waiting to enwrap your senses in extravagance.
