

LA CRESCENT

WINEMAKER'S TASTING NOTES

We like to think that finding this wine is fate, opening the bottle is your choice, falling in love with her is out of your hands. This Northern Climate charmer will surprise you with a hint of sweetness before she whisks you off your feet with her luscious body, strong citrus notes, and complete finish. Be prepared, she is looking for a serious relationship.

CHEF'S PAIRING SUGGESTIONS

Accents of lilacs and roses; citrus fruits flavors. Pairs with lighter dishes and fruit-inspired desserts.
